GUEST ARTISTS

GENERAL INFORMATIONS

ARE YOU INTERESTED

If you are interested in working with us as a guest tattoo artist, simply write to us on Instagram or by email. We need the **date** you would like to come, a **picture** of yourself and 3-5 of your **works**.

CONDITION

There is a fixed chair rental fee at the Westend Kollektiv Studio. This is **€150** per day.

WHAT DO YOU BRING WITH YOU

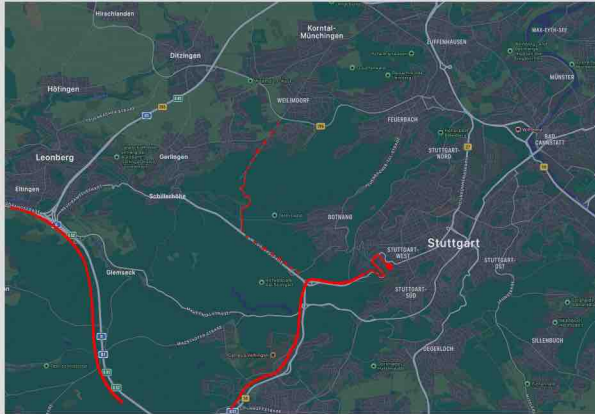

Basically, all you need is your **machine**. In an emergency, we also have a spare machine in case one stops working.

You should pack a few **needles** of your own. We do have needles, but some tattoo artists use very specific tapers and magnums, so we can't guarantee that we'll have everything you need.

CUSTOMERS

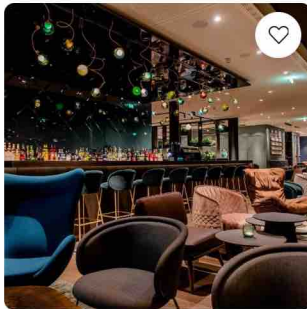

We will make a post on our Instagram channel and website with the information you send us. If appointments come in there, we'll pass them on to you. Otherwise, you should place advertisements or similar in advance.

ARRIVAL

If you are coming by car, we recommend entering via the A8, so you don't have to drive through the whole city.
If you arrive by train, go to the S-Bahn station at the main station. From there, simply take the next train in the direction of Schwabstraße (all S-Bahn trains on the right track stop at Schwabstraße). When you get off at the Schwabstraße stop, follow the directions in the picture to the studio.
